• **Intensive Choreography Camp:** This camp offers your performer the chance to exercise their creative side while being carefully guided by the professional ADA staff. This camp is a hybrid model of two of our most popular past camps, the Cabaret Camp and the Vibes Intensive. With instructor guidance, students will craft and perform a piece that fully features them! During the week each participant will experience a variety of classes, individual rehearsal time, and group creative work. The week will culminate in an in-studio Cabaret style performance, entirely created and performed by the students. This camp is an exciting new opportunity for creative minds, budding talent, aspiring thespians, and veteran performers alike! Performance details will be provided before the camp begins and will follow whatever public health guideline is in place at the time of the camp. Pieces created in this camp may or may not be kept for use in the future (for Vibes competitions or ADA performances).

• Dress Code: Leotard, tights, hair away from face.

• Shoes: Tap, Jazz, Character (come early on Monday to utilize the shoe swap for the week!)

• **Kindred Spirits Camp:** This camp is for any ADA student who would like to be featured in Kindred Spirits 2021 with a speaking role. On Monday 8/9, each participant will be cast in their role for the season. We will spend the week rehearsing, blocking, and fine tuning performance details. This will allow all performers the opportunity to create this show in a fully focused environment and set us up for success as we head into the school year classes and begin incorporating "ensemble" performers. Performers who sign up with this camp will need to enroll in a weekly ADA theatre dance and acting class through Oct 2021.
