Discipline:

Each individual member of this team is entitled to courtesy and consideration in relationships with fellow dancers and ADA staff. It is the responsibility of each team member to treat all staff and dancers with respect and kindness. The following expectations and consequences must be read carefully, and by signing this contract you agree to adhere to these requirements.

1. Commit to attending all required classes—this includes scheduling vacations and other family activities around your dance schedule. The only excused absence is for school activities, and illness. Any missed core classes must be made up (regardless of excused or unexcused absence). Classes can be made up by attending another level for core classes. If you are competing in a style, those classes become core classes for you and require attendance. Rehearsals (Monday and Wednesday Vibes Rehearsals, Intensives, Choreography) **cannot be made up, and are required days.**
2. School work should be completed on time; only take on the workload that you can handle. Prioritize your time appropriately, and don't procrastinate! Absences for schoolwork will not be excused.
3. Be prepared for class.
 - a. Proper Attire—Appropriate shoes, hair up (bun for ballet), etc. If you are unsure of the requirements for each class, you can find this in the ADA brochure.
 - b. On time—dancers are expected to arrive promptly to classes and rehearsals.
 - c. Positive Attitude—Leave all negativity at the door. Be respectful of your instructors and fellow dancers at all times.
 - d. Cell phone use is strictly prohibited unless it is being used to record choreography.
4. Cell phone use is strictly prohibited at all ADA Events. Focus and dedication are pertinent to our success.
5. ADA has a Zero Tolerance policy for bullying and lying. Be kind and supportive of your teammates and faculty.

Consequences

1. Sell an Extra Ad
2. \$100 Fine
3. Dismissal from the team, and loss of eligibility the following year.

Choreography:

- Understudy as many routines as possible, and that you are available for.
- Choose routines you can learn during the initial rehearsals.
- Required to understudy the ALL VIBES dance, which is taught during Vibes Rehearsal.

Denotes a Summit Dance Fund Scholarship Opportunity. Reminder these are available for education opportunities outside of Summit County. Please fill out and return a scholarship application for EACH of the events that you are requesting financial aid for.

Vibes Payment Schedule 2023-2024: Rather than bill for each event, ADA calculates the entire balance due for the year and divides it into 10 payments. The first will be in August, and the remainder will be added to monthly tuition. We will be able to do this once we receive your contract on August 1, 2023. We will then email you an updated monthly tuition amount for the 2023-2024 season.

BUDGET FOR THE YEAR: Before committing to the team please sit down with your dancer and calculate your costs for the year. This will help you decide if the team is within your budget and if so how many routines your dancer will be able to participate in.

FOR EXAMPLE, for a VIT who submits scholarship forms for all Denver events:

Team basics:	\$165
Dues:	\$55
Oct Intensive:	\$75
LADM Classes:	\$315
Hollywood Vibe Classes:	\$310
Fluid Classes	\$270
Total	\$1,190

\$1,190 10 months = \$119/ month

August 5th Charge: \$119

September - May Charges:

Unlimited tuition = \$250/ month + \$119 = **\$369 / month**

~~~~~

**Scholarship forms must be turned in with Vibes Contract to be considered for a scholarship for the 2023-24 Dance Season.**
